Pro. Letter 19 Nos. Bang. Audits/175, dated the 4th June, 1929, from the Audit Officer, Bangalore.

Subject.

Construction of a building for the office of the
Inspector of Schools, Coorg and Bangalore.

Notes and Orders.

The Audit Officer, Bangalore, wants to bring to the notice of the Hon'ble the Resident that the rent of Rs. 50/ per mensem continues to be paid even now for the office of the Inspector of Schools, Coorg and Bangalore and suggests that it might probably ^{be} more economical to construct a ----- building than to rent a house indefinitely.

It may be possible to accommodate the office of the Inspector of Schools in the ^{now} present buildings occupied by the Resident's office. This question may perhaps be considered as soon as the new Resident's office buildings are constructed. Draft reply to the Audit Officer is submitted for approval.

The old Resident's office buildings have been ----
allotted to the District and Sessions Court and the ---
District Munsiff's Court. It is also proposed to -----

Coorg office buildings.

The buildings now available are Secretary's office
room, Confidential Assistant's room and Stationery
room, in the old Resident's office. The Resident's
office library has not yet been vacated. If it is ~~xx~~
intended to utilize these buildings for other purposes,

offices of the Inspector of Schools and Sub-Assistant
Inspector of Schools out of the provision of Rs. 8,000/-
made in the next year's Assigned Tract budget for the
construction of a new Sub-Registrar's office. 3/8ths
of the cost of Inspector's office should be recovered
from the Coorg Administration.

Sir,

I have the honour to invite a reference to paragraph 5 of the Residency letter No. 94 C dated 30th September 1912 to the Secretary to the Government of India, Department of Education, and to observe that a rent of Rs 50/- per mensem continues to be paid even now for the office of the Inspector of Schools though the proposal to rent a building was made at the time to avoid delay in the opening of the office. This may kindly be brought to the notice of the Hon'ble the Resident as it might probably be more economical to construct a building than to rent a house indefinitely.

Sir,

"Construction of a building for the Office of the
Inspector of Schools, Coorg and Bangalore".

(C)

With reference to your letter No. 5466/166-29, dated 26th
June 1929, to the Audit Officer, Bangalore, I have the honour to
state that the following minimum space will be required for my
office:-

- for the Inspector
1. One room ~~large enough~~ to receive visitors.
2. One or two rooms for seating 4 clerks with their
tables and pigeon-hole almirahs and an extra table for the
type-writer.
3. One or two rooms for keeping 11 almirahs (8 big and
3 small) containing library books, lantern slides, gramophone
records, stationery articles, current records &c.
4. One room for keeping 3 big record racks and 3 smaller
racks.
5. One separate room not less than 24' x 18' for
holding meetings of the European School Examination Board,
Secondary School Admission Board &c.
6. One spare room to be used as a store-room.
7. One room with sanitary conveniences for the Inspector.

2. With regard to the Audit Officer's remarks, I believe
that he does not know that the office was kept in the present
building because it was more central than any other and within
easy reach of the important educational institutions. The
question of a transfer arose some years ago but was not consi-
dered for the above reason. As it is, the rent is unusually

low

low; it was fixed in 1915 and has not been raised since, though the bungalow adjoining has had its rent increased from Rs.40/- to Rs.90/- during the same period.

3. I am perfectly satisfied with the present office, and have no desire to move, unless Government strongly wish it. The following point should, I think, be considered before any change is made. At present the Sub-Asst. Inspector's office is in the Mayo Hall, I find even this distance, a matter of considerable inconvenience. If the Inspector's office is moved to the High Ground, the distance between the two offices will be about 4 times what it is now. If the Inspector's and the Sub-Asst. Inspector's offices can both be suitably housed in the same or adjacent buildings I have no objection to a move, although I do not specially wish to change.

I have the honour to be,

Sir,

Your most obedient servant,

Inspector of Schools,

Coorg & Bangalore.

The Secretary to the Hon'ble the Resident
in Mysore, Bangalore.

I have the honour to invite a reference to your No.

3947/189-1929, dated the 13th May, 1930, in which it was stated that the question of the transfer of my office to the Residency office buildings was under consideration, and to enquire whether any decision in the matter has been reached.

2. The Sub Assistant Inspector's office is at present held in a room in the Public Office Buildings; and my office in a rented Bungalow in Brigade Road. In the past there has been a sharp differentiation of the work done in the two offices, since much of the Sub-Assistant Inspector's work was connected with the administration of the Municipal schools and entailed direct contact with the Municipal Office. With the appointment by the Municipal Commission of an Educational Superintendent this differentiation of work ceases. The Sub-Assistant Inspector of Schools will in future be free to assist me more directly in the administration and inspection of the schools in the station. I consider that it is most desirable that the two offices dealing now with essentially the same work, should be located in the same building so that the work of the whole

p.t.o.,

department may be more efficiently 'dovetailed' and much time may be saved.

3. I wish to propose therefore that arrangements may be made for both offices in my Department to be accommodated in one Government Building if the necessary accommodation is available.

I have the honour to be,

Sir,

Your most obedient servant,

In continuation of my letter No.33/64-24, dated 5.1.1931 in connection with the transfer of my office to a Government building, I have the honour to state that I have inspected the office formerly occupied by the Secretary. Unless the block formerly occupied by the clerks is also made available for me, I am afraid the accommodation will not be sufficient for the Sub-Assistant Inspector's office as well as my own. It is only with a view to bringing the two offices into closer -- proximity that I am suggesting the change. As an alternative, I suggest that permission be given for the transfer of my office to the Mayo Hall (lower floor) certain rooms of which can, with modifications, be made suitable for my use. A rent will -- presumably have to be paid to the Municipal Commission for the occupation of the rooms. The President, Municipal Commission, Bangalore may perhaps be addressed on the matter.
